

The Mighty Power by Peggy McColl

While reading a wonderful new book "A Message From Garcia" (recently released by Charles Garcia), the Author refers to a classic book called "It Works!" This book is also known as The Famous Little Red Book That Makes Your Dreams Come True. It describes a powerful creative force that each one of us has called "the mighty power" and states "a power capable of giving you that which you earnestly desire".

So, the question comes to mind: What do you earnestly desire?

It Works! states: "If you are of these millions of thoughtless talkers or wishers and would like a decided change from your present condition, you can have it; but first of all you must know what you want and this is no easy task. When you can train your objective mind (the mind you use every day) to decide definitely upon the things or conditions you desire, you will have taken your first big step in accomplishing or securing what you know you want.

To get what you want is no more mysterious or uncertain than the radio waves all around you. Tune in correctly and you get a perfect result, but to do this, it is, of course, necessary to know something of your equipment and have a plan of operation"

Further on it continues with: "Occasionally wishing or halfheartedly wanting does not form a perfect connection or communication with your omnipotent power." You must know what you want and be specific about it. You'll find the 3 part plan in the book which I am making available to you (see below).

This book is, what I call, Simple Wisdom. For years I've had a desire to write a book called: Simple Wisdom. This book would include one powerful quote, and below that quote would be an explanation of the wisdom of the quote. You may have read in one of my previous Achieve Your Goals Newsletters an issue where I dissected my favorite quote by Henry David Thoreau and distilled the wisdom into a simple understanding. (The quote for those of you who are wondering is the following: If one advances confidently in the direction of their goals and endeavors to live a life that they have imagined, they will meet with success unexpected in common hours.)

Charles Garcia in his book A Message From Garcia reminds us of the simplicity and the power of the message found in the book "It Works!"

The omnipotent power is waiting and willing to serve you when you are ready.

And, as you know, I'm ready to serve you when you are ready. Are you ready? I have a gift to you. You can now have the direct link to the bonus gifts that come with my
